

## **Reflection Activities**

In this section you will find examples for reflection activities to use.

Have the participants trace their hand on a blank sheet of paper. On the back of the hand, they are to write their name. On each finger they are to list five things that:

- Describe them (use as an opening active)
- They have learned from the session
- Were the main topics covered in this session etc.

## **Capture Your Thoughts**

### **BIG IDEAS**

What will you remember this session?

### **SPECIFIC INSIGHTS**

What new perspectives, connections, and understandings do you have now?

### **QUESTIONS RAISED**

What questions emerged from the information, discussions, and activities?

### **IMPLICATIONS FOR ACTION**

What will you share with your colleagues or apply to your own teaching?
